

2017 Welcoming Week

The Merrimack Valley YMCA joined Welcoming America and hundreds of YMCAs and other organizations nationwide in hosting events to celebrate immigrants' contributions to communities and bring together all residents in a spirit of unity. We posted maps in our branches and invited members and guests to mark their hometowns. This was a wonderful way to promote cross-cultural understanding and raise awareness of the benefits of welcoming everyone. At our Methuen branch, we hosted an International Night that featured delicious food from around the world and welcomed families to share their heritage.
