THANK YOU FOR GOING THE EXTRA MILE

ANDOVER EMPLOYEE OF THE MONTH

KIM JONES

Kim Jones is a great asset to this Y. She is a certified lifeguard who teaches Group Ex, Learn 2 Lap, and a handful of private lessons. She has also stepped up to help out when we were missing a staff member. Kim works really well with kids and her co-workers are inspired by her amazing attitude.

She does a wonderful job working with each person who attends her classes, no matter what level they are – from beginners to more advanced. She offers helpful encouragement and tips with grace and joy. Even more impressive, she has been teaching her Saturday morning class simultaneously in American Sign Language to better connect with a member who is deaf. Kim does a great job and we are glad to have her.
