THANK YOU FOR GOING THE EXTRA MILE

ADMIN FEATURED EMPLOYEE

JOALY ROSARIO

This spring we were in need of administrative support for our fundraising efforts, particularly the auction. When we approached Joaly, she agreed to step in without hesitation. In addition to providing valuable administrative support, she also stepped up to find sponsors for the event & took every opportunity to learn about the process. Joaly is nominated because of her willingness to pitch in, learn new things all while delivering high quality work with a positive attitude.

Joaly is always giving 100% in the camp office. You can often find her working at 7:00pm on a Friday night to make sure everything is all set for Saturday (Change Day for the Island Camps) or Monday (Change Day for Camp Otter). She is on top of everything- getting tasks done in a timely manner. Joaly is accurate, customer service oriented, & a team player. The camp Office is lucky to have her during the summer.
